

Construction Notification

West Saanich Road: Quadra Street to Royal Oak Shopping Centre. Infrastructure Upgrade Project

What's happening?

The District of Saanich is planning to undertake walking and cycling upgrades on West Saanich Road from Quadra Street to Royal Oak Shopping Centre. The proposed improvements include:

- Buffered Bike Lanes
- Accessible Sidewalks
- Storm Drain Upgrade (Complete)
- LED Street Lighting
- Bus Stops Upgrades
- Additional Crosswalk
- Complete Asphalt Overlay

Why are we doing this?

This project is a final phase of West Saanich Road Street Scape, which fulfills key policies identified in the District's Official Community Plan, completes gaps in the cycling and pedestrian facilities along West Saanich Road, and provides safe alternate modes of transportation.

Construction Impacts

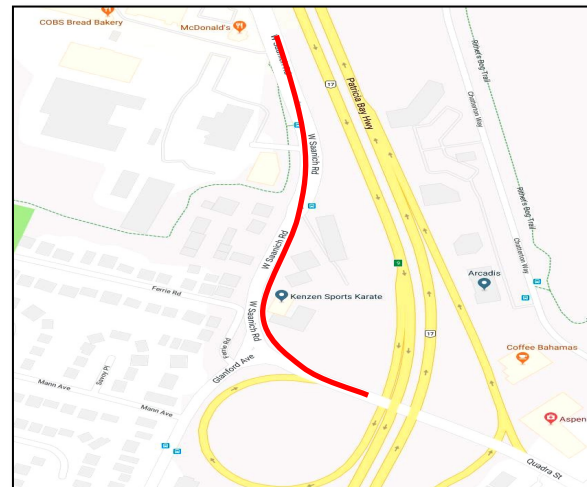

Single lane, alternating traffic may be in effect Monday to Friday between the hours of 9:00 am and 3:30 pm. The onsite crew will provide advanced notice for any driveway closures and will try to minimize the inconvenience to you during the construction period. The District of Saanich will be responsible for the restoration of the construction area to existing or better than existing conditions.

Garbage and recycling services will be maintained.

Project Timeline

Construction is anticipated to begin in late July, 2019 and will take approximately five months to complete, pending favorable weather conditions.
