Making A Difference

"Save The Tape" *Fund Raiser*

The ROCA Executive would like members to join in a fund raising campaign that is as simple as 1-2-3 !

1. Retain your Country Grocer cashier's receipt when purchasing groceries.
2. Turn the receipts over to an Executive member or mail them to the PO Box (info below).
3. We will turn the receipts into gift certificates that can be used for such things as: refreshments for meetings, food for summer events, or even members purchasing them at face value!

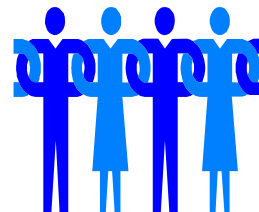

You'll feel like family.
